

DANA WHITFIELD

Reno, NV | (555) 018-2244 | dana.whitfield@example.com

SUMMARY

Warehouse operations supervisor with 9 years in distribution and fulfillment. Experienced in inventory accuracy, shift scheduling, safety compliance, and continuous improvement.

EXPERIENCE

Cascade Freight Solutions | Reno, NV

Shift Supervisor, Outbound | Feb 2022 to Present

- Coordinate a shift of 22 pickers, packers, and forklift operators across two outbound docks.
- Department reduced inventory shrink 30% over two years through cycle count redesign.
- Use Manhattan WMS daily for wave planning, exception handling, and cycle count scheduling.
- Cut average outbound dock dwell time from 47 minutes to 31 minutes.
- Serve as safety captain. Led shift toward 400 consecutive days without a recordable incident.
- Train incoming associates on equipment certification and standard work.

Northline Distribution | Sparks, NV

Lead Associate, Inbound | Mar 2016 to Aug 2020

- Directed receiving and putaway for a 240,000 square foot facility on second shift.
- Ran daily standup for 14 associates and assigned labor against inbound volume forecasts.
- Reduced putaway errors through a relabeling process adopted across all three shifts.

EDUCATION

Truckee Meadows Community College, A.A.S., Logistics and Supply Chain Management, 2015
